2019
AAP Subscription Guide for Institutions
Trusted Resources and Solutions from the Leading Publisher in Pediatrics

AAP Publishing
aaplibrary.org
The American Academy of Pediatrics (AAP) publishes journals that have a profound impact on the delivery of health care to children worldwide. In 2017, more than 10 million people viewed journals content on the AAP News & Journals Gateway.

AAP eJournal Collection

All 6 professional and academic resources in one comprehensive collection!

With the AAP eJournal Collection, your institution’s need for original research, concise commentary, clinical reviews, and the latest news is covered! Our eJournal collection provides your patrons with a comprehensive site license to 6 journals and periodicals and their eArchives at no additional charge.

▶ E-mail institutions@aap.org to subscribe today!

Making Online Reading More Like Print

LENS is an innovative way to view figures and tables side by side with article text without having to navigate between modal pop-ups and browser tabs. To use LENS for any article, simply click on the red “View this article with LENS” button on the right rail or on the Figures & Data tab. A new browser tab will launch using the LENS interface.

The Concordance of Parent and Child Immunization

Steve G. Robison, Andrew W. Osborn

[Image of laptop displaying the LENS interface]
Pediatrics is the official journal of the American Academy of Pediatrics and the world’s leading pediatrics resource. Pediatrics is the most-cited journal in pediatric medicine, and it provides the authoritative information your patrons need to stay current with original, peer-reviewed research and evidence-based articles; conduct new research studies; further education and training; and enhance pediatric patient care. The mission of Pediatrics has endured since the founding editor penned it in 1948: “The content of the journal is intended to encompass the needs of the whole child in his [or her] physiologic, mental, emotional, and social structure.”

Journal Features

- Original, Peer-Reviewed Research Articles
- Pediatrics Perspectives and Commentaries
- Quality Reports and Case Reports
- State-of-the-art Review Articles

IMPACT FACTOR // 5.196
ISSN PRINT // 0031-4005

PEER-REVIEWED

New! Video Abstracts
Brief videos summarizing key findings of new articles.

Hospital Pediatrics is the first journal dedicated to pediatric hospitalists and offers the tools to help provide quick, correct, and targeted medical interventions.

Hospital Pediatrics articles are geared toward reducing length of stay and readmission rates, optimizing patient safety and quality improvement, caring for children with medical complexity and chronic illness, overseeing pain management practices, enhancing communication among multidisciplinary care teams, reducing unnecessary testing, standardizing administration practices, and more!

Journal Features

- Research Articles, Essays, and Commentaries
- Clinical Question Review
- Illustrative Cases
- Bending the Value Curve
- Quality Improvement Reports

## How to Order

### Ordering Through a Subscription Agent

The AAP has arrangements with agents across the globe. They can assist you with information on AAP publication subscriptions, including price quotes for multisite, global, or consortia orders. Additional international sales agent information can be found online at aaplibrary.org.

### Ordering Directly Through the AAP

**Phone:** 866/843-2271 (toll-free in United States and Canada) or 630/626-6000. (Office hours: 7:30 am – 5:00 pm Central time)

**Fax:** 847/228-1281 // **E-mail:** institutions@aap.org

### Customer Service Center Technical Support

**Phone:** 888/227-1770 // **E-mail:** csc@aap.org // **Online:** http://kb.aap.org

## Determine Your Pricing Tier

### ACADEMIC

| Tier 1 | Primary/secondary school |
| Tier 2 | Undergraduate (baccalaureate) or master’s level college/university |
| Tier 3 | Nursing school or allied health program (e.g., chiropractic, physical therapy) |
| Tier 3 | Doctorate-granting research university |
| Tier 4 | Medical school |
| Tier 5 | University consortium or shared/multisite network |

### MEDICAL

| Tier 1 | Small or local clinic |
| Tier 2 | Community hospital (not a major teaching or clinical research facility) |
| Tier 3 | Major teaching or research hospital (e.g., medical school affiliated, multiple residency programs) |
| Tier 4 | N/A |
| Tier 5 | Health care network (multisite shared access) |

### PUBLIC/NONPROFIT

| Tier 1 | Non-research public library |
| Tier 2 | Independent research library |
| Tier 3 | Small nonprofit or government research laboratory |
| Tier 3 | Health policy or advocacy nonprofit |
| Tier 3 | Local or regional government agency/ministry (e.g., city or state public health authority) |
| Tier 3 | Charitable organization |
| Tier 3 | Professional society or trade union; industry trade association |
| Tier 4 | Large nonprofit/government research institute or national government agency |
| Tier 5 | State or national site license |
| Tier 5 | Society-, agency-, or ministry-wide license (multisite shared access) |

### CORPORATE

| Tier 1 | N/A |
| Tier 2 | N/A |
| Tier 3 | Small for-profit organization (e.g., small consulting partnership, law firm) |
| Tier 4 | Midsize or large for-profit organization (e.g., regional or national corporation) |
| Tier 5 | Global or multisite licensing |
### Institutional Subscription Rates for 2019
