

# Quick Reference Guide for Librarians

## AAP eBooks

Trusted resources from the leading publisher in pediatrics

### How do I manage my account and get COUNTER reports?

The institutional administrator can log in at <http://dashboard.aappublications.org>. In the Reports section, COUNTER reports are available online or as downloads for each year and title.

### What authentication methods are available?

AAP eBooks supports IP addresses, OpenAthens, username/password, and referring URL authentication.

### How do I integrate AAP eBooks into my library's search?

- Full title list: <http://aapebooks.org/titles>
- Search: <http://ebooks.aappublications.org/search/advanced>
- MARC records (<http://ebooks.aappublications.org/librarian-resources>) or OCLC directly

### How do I add more titles?

Institutions can purchase AAP eBook collections with perpetual access; an annual maintenance fee may apply. Select subcollections and titles are available as annual subscriptions.\*

For pricing and information, complete the **Site License Inquiry Form** at <http://go.aap.org/sitelicenseinquiryform> or contact us at [institutions@aap.org](mailto:institutions@aap.org); US phone: 866/843-2271 (toll-free in the United States); or international phone: 630/626-6000.

\*Neonatal Resuscitation (NRP) eBook Collection, *Reaching Teens*, and *Red Book*® are excluded from the perpetual rights model.

### What collections are available?

**AAP eBooks collections available with perpetual rights include**

- AAP eBook Backlist Collection—164 clinical and consumer titles
- Annual collections (beginning in 2016)—most clinical and consumer titles published in the calendar year

### Neonatal Resuscitation (NRP) eBook Collection

*Available exclusively from the AAP!*

An annual site license subscription gives your institution access to the essential Neonatal Resuscitation (NRP) eBook Collection, which includes the most current editions of the following titles:

- *Textbook of Neonatal Resuscitation* (English and Spanish)
- *Guidelines for Perinatal Care*
- *PCEP Book III: Neonatal Care*
- *PCEP Book IV: Specialized Newborn Care*
- *Guidelines for Air and Ground Transport of Neonatal and Pediatric Patients*

### How can patrons access AAP eBooks?

Although responsive online access is sufficient for most AAP eBooks use, the AAP eBooks Reader app is also available.

Your patrons can access AAP eBooks off-line through a tablet or smartphone running iOS or Android by using the free AAP eBooks Reader app available from <https://ebooks.aappublications.org/content/mobile>. They can connect their personal AAP ID to your institution's network.

### How do I know when new titles and AAP eBook collections are available?

Visit [aapebooks.org/institutions](http://aapebooks.org/institutions), follow AAP Publications on Facebook ([facebook.com/aappubs](https://facebook.com/aappubs)), and watch your email for alerts. Sign up for OCLC MARC records by collection to be notified when new records are available.

### How can I build awareness of AAP eBooks with library patrons?

Print and distribute, email, or post the "Quick Reference Guide for Library Patrons" flyer.
