Note:
Each person that will be taking AAP online courses must register for an Individual account on shopAAP (https://shop.aap.org/account/create-account-1/). Do not use or create an Organization account, as online course registration functions are disabled on shopAAP for Organization accounts.

If you have already created an Individual AAP account, skip to the following pages for instructions on registering, accessing, and completing your course, and printing certificate.

Create AAP Account

1. Go to http://shop.aap.org

2. Go to Create an Account

3. Select Account Type – Individual, and enter the required fields.

4. Continue by entering the required fields in the Account Information and Primary Contact Information sections.

5. Once complete you will be presented with your AAP ID Number
Register for Course

QUICK TIP -- Go to https://shop.aap.org/pedialink-child-care-courses, click the Select button next to all applicable courses, then click the yellow Register Now button to add all selected courses to your cart.

To locate the individual courses by course name or keyword search please follow the steps below.

1. Enter the title of the course you would like to register for and click the Search button.

2. Locate the course you would like to register for and click the Title link.
3. You will be taken to the course description page. Click the Register button to add to your cart.

4. You will be able to see your cart in the upper right corner with the course you have added. You can click Checkout to complete registration for the course.

5. From the Checkout page, you can verify that the item is correct and click Place Order to complete course registration.
6. You will see an order confirmation screen and also an email will be sent to verify the order.
Access Course

1. Go to https://shop.aap.org/account/my-cme/

2. Click the Open button for the course you would like to access
